Perhaps I did not send it as I was still working on the LHP cancers. That is nearly complete – I'm just scanning for anything odd and trying to finesse some text on the ML exposure-response.

This version is the tracked changes but you can accept them all. I just wanted a record.

OK I'll make that change in the main document Ex. 5 Deliberative Process (DP)  
Ex. 5 Deliberative Process (DP) I looked and don't have an email from you sending the appendix material for cancer evaluations. Did you make those changes directly in the appendix on sharepoint?

Hi Tom,

## **Ex. 5 Deliberative Process (DP)**

Ex. 5 Deliberative Process (DP) What is your response to that and would you revise that? I'm having to list our responses in an itemized way to our primary reviewers.

Thanks, Barbara
